## And Big Brother Censorship of our Divine Birthright, Finally, the Truth about the Chakras

I forget off the top of my head who it was who once said, “*life is an ever evolving enigma*” to that end I will say, how true. Being the intellectual I am, my hobbies are all strategy based games, such as Cribbage, Checkers and Magic the Gathering “*a strategy based trading card game*”. What has this all got to do with your chakras you may well ask. Bear with me, as all life is relevant, allow me to connect the dots of life and all will be revealed in the fullness of time.

Several years ago my grandson wanted to go and see the movie Yu-Gi-Oh, which just happens to be a carton and trading card game, in many ways it's not to dissimilar to the game I play called Magic the Gathering.

In the movie, young Yu-Gi-Oh has to solve the riddle of the Nine piece pyramid, which he does, however once he achieved this feat, his mind and body fuzz with the ancient power of the talisman he wares around his neck, the power he inherits, literally becomes him, it is him, as him, through him and by him, to all intensive purposes he's an immortal being and master of the Theta Universe.

He also became the master of the golden ratio ( *Leonardo Fibonacci* ). The golden ratio is literally the secret code of the ancients, it is the secret to Physical Immortality and the Theta Universe, being Nine to the Power of Three, and Three to the Power of One, which is the secret and power of the pyramid of life that Yu-Gi-Oh wares, all of which comes back to you as a Physical, Emotional and Mental being, because within you lies an Eternal Flame of Divine power, people, let me tell you, nothing is without you, all and everything is within you, anyone who's read Peter Kelder's book on the Tibetan secrets of the fountain of youth will tell you, that the secret your searching for is not in some chalice or some mystical holy water, it has always been and always will be within you, yes, it is literally within you, the ancient power that is you, as you, through you and by you is the key to the Theta universe, just ask young Yu-Gi-Oh.

Lady's and gentle men, what I am about to share with you is the real secret that media censorship deleted from the Movie and DVD on Yu-Gi-Oh, it has never been put in print in Australia anywhere to my knowledge, so as young Yu-Gi-Oh's power

comes from ancient Egyptian time its back to Egypt we will go, the ancients high priest of mankind, used to use a Nine – Eleven and Thirteen chakra system, unlike the Hindus who use a Seven chakra system, the Hindu seven chakra system will keep you locked into mortality, karma, death and reincarnation, the Hindu system is an earth based belief system *“ I say this because the earth has seven chakras, humans have nine, the nine chakra system is a celestial system of higher consciousness and spiritual evolution ”* the ancient masters used the Nine – Eleven and Thirteen chakra system *“ the 10<sup>th</sup> and 11<sup>th</sup> chakra are found in the palms of your hands, they are twin chakras just like the heart chakra is, the heart is your power to create, which is your light, it is also the Dark destructive power within, while 12<sup>th</sup> and 13<sup>th</sup> chakra are in your feet, and they are activated at birth, there purpose is to keep you grounded, while the primary nine resonate to sound and colour, and I will name those nine magic chakras and what they do shortly ”*.

These are the Nine Sacred words of the Pyramid life puzzle Yu-Gi-Oh became master of, we all have a personal pyramid which is three sided, on each side is a sacred flame that forms your threefold eternal flame each flame burns within you.

You are Three Physical Chakras

**Ancient Chakra Name – Colour Resonance – Octave Resonance**

**You are Three Emotional Chakras**

| <b>5. <u>Ba</u></b> | <b>Pink &amp; Green</b> | <b>Sol</b> |
| <b>6. Khaibit</b>   | <b>Light Blue</b>       | <b>La</b>  |

**You are Three Mental Chakras**

- |                         |                    |                          |

| <b>8. Sahu</b>          | <b>Purple</b>      | <b>Do</b>                |
| <b>9. Khu</b>           | <b>Violet</b>      | <b>The Golden Octave</b> |

The Golden Octave is the Silence between the notes, this where you get to hear the voice of God, welcome to the order of the Jade Sun.

The **Ren** = your Divine name and is creative power

- The Flame of Wisdom** – The **Ka** is an aspect of the soul which can only travel the earth, it earth bound
- The Flame of Strength** – The **Ba** is an aspect of the Soul which astral travels to the celestial realm and the universal learning schools, it is not earth bound
- The Flame of Beauty** – The **Sekhem** unite the **Ka** and the **Ba** as one, at this point of your spiritual evolution

**Footnote:**

The **Ba** chakra is both **Bright Pink** on the inner and **Bright Green** on the outer for a reason; the heart chakra is the only twin chakra in the Nine primary within the trunk of the body, this chakra is the only chakra with an **outer** and an **inner** aspect, the only other two chakras with an **inner** and **outer** aspect to them are found in the palm of the hands, the chakras in found in the feet are not twin chakras.

These Nine Sacred and Ancient chakras purport to the three pillars of ancient Freemasonry as well to the Eternal Flame of immortal and celestial mankind

Now back to the movie Yu-Gi-Oh, we have all heard of media censorship, and how we live in the age of media censorship, well the middle three magic Emotional words were missing from the original movie on the big screen, but, by the time the movie had made it on to DVD all Nine of the magic words had been removed, so who is trying to stop today's Indigo children from their Divine Birth Right, you tell me? The time of change is at hand, it is time we all stepped forward and made a conscious choice to evolve beyond our limiting belief systems.

In a previous article I spoke about handshakes. The same mentor taught me about the one true, real and authentic chakra system of the ancients “*this is the sort of material the church doesn't want you knowing about – Veritas vos liberabit, the truth will set you free, you will never be able to do as Christ did, if you don't have all the pieces of the jigsaw of life*”
